## THE FEARSOME GIANT - PUPPET PRODUCTION AND ARTS WORKSHOP

*For Key Stage One Classes*

In this workshop pupils will:

- Creatively explore what fear and anxiety look and feel like through drama and the arts
- Create a sensory nest to help young children manage episodes of anxiety

“...The first time in 12 years I’ve ever experienced anything like this. Friendly, exciting and a lot of fun.”

A lovely relaxing afternoon of sensory activity designed to engage children of all dispositions.

“It’s just what’s missing from the curriculum! Very much needed”
