The National Curriculum recommendations are that teaching on puberty is introduced to all pupils before onset. As puberty can begin from age 8, we now offer

## AN INTRODUCTION TO PUBERTY

*For Year four and Year Five classes*

Our sensitively crafted SRE programme has been used by 35 local primary schools over the past 8 years. Why not invite our professional and highly experienced team in to your school to enhance your pupil experience and to ensure a consistent and comprehensive approach to your SRE teaching.

- The changing adolescent body including physical and emotional changes
- Menstrual wellbeing and key facts about the menstrual cycle
- The names and functions of reproductive organs (**but not sexual intercourse**)

“...We really value what ‘The Conversation’ brings to the PSHE programme. It means the SRE education is standardized, appropriate, neutral, informed, modern and so nicely delivered.”
